Fifthpaw joins the Xbox Ambassadors team

Announcements Fifthpaw Sep 2, 2020

Hey, Ambassadors! It’s Jieyang here but you can call me Fifthpaw.

I’m from Southeast Asia and have spent most of my life there but recently moved to the United States last year. As a hardcore fan of gaming and all the

subcultures formed by it, I couldn’t be more stoked to be a part of the Xbox Ambassadors team! Though I had to leave a lot behind (it was either clothes or consoles and I preferred to have clothes for the winter, you know?), my love for games is something I always kept close to my heart.

From shooters and side scrollers to isometric RPGs, I’m a big fan of all types of games.

My **favorite game** of all time is: *Prey (2017)*

I’m **currently playing**: *Sekiro: Shadows Die Twice*

I’m **looking forward to**: *Cyberpunk 2077*

Gaming aside, I love reading comic books, cooking, baking, going to the gym and playing with my newly adopted dog! I also tune in regularly to various esports, mainly *Overwatch League* for now.

I’ll be handling marketing initiatives for the team as well as managing our social platforms (say hi on twitter if you want).

Catch you guys, gals and non-binary pals around!
